A PINZ HOSTS CITY TOURNAMENT

Pinz Bowling Center hosted the annual city tournament this past January 28th and 29th. Over fifty-nine teams participated in the event, making it one of the largest tournaments Pinz has ever hosted since its inception in 2007. Our center would like to give out a thank you to all the people and teams who came out to bowl the City Tournament. A special thanks goes out to a few familiar faces; people like Kevin Hunt, Johnny Christenson, Bill Bradbury, Bill Crusha, Gary and Sandy Newport, Frank Jones, and several others for their presence and participation at this event.

We hope you enjoyed yourselves at the City Tournament and, of course, we hope to see you all again at the next tournament hosted by Pinz

C Bowling - A Great Idea For Date Night in America?

Yes men, it was the dreaded month indeed. Valentines Day happened, and got your lady thinking about future date nights. I know Pinz may not be the first place on your short-list, but hear me out. Bowling can be very romantic. There's hundreds of movies where people go on the classic 'Bowling Date'? I see it all the time. Several blockbuster films such as Accross the Universe, My Name is Joe, and The Flintstones have bowling dates as the turning point (in a good way) for the central romance of the film.

It will feel like one of those good old fashioned romances. The perfect place for high school kids, or those who want to feel like they're in young-love again. Pinz provides a full bar, kitchen, and video games to keep you crazy couples busy before and after bowling too. The options are endless. Oh yeah, and we also serve some pretty awesome pizza too, just sayin'...

The newest, and perhaps, most unique addition to Pinz; The Record Room debuted on Feb 9th to roaring success!

Now, in the east room of Pinz Bowling Center is a room where people can hang out, play records, read books, use our wifi, drink coffee, and on Thursday nights listen to live music! Every Thursday at 7:00pm different local acoustic acts will perform in the room, putting on unique concerts not found anywhere else in the Tri-Lakes area. Join us as Jeremy Facknitz and Emily Knurr take the stage February 16th. Then as Daniel Patrick and Midtown Era join us on the 23rd. Concerts are free and all ages, all the time.

Artists interested in performing at The Record Room can email their music links to LaikaLott@Gmail.com, or talk to Nick at a show
